### Item 1.01. Entry into a Material Definitive Agreement

OGE Energy Corp. ("OGE Energy") is the parent company of Oklahoma Gas and Electric Company ("OG&E"), a regulated electric company with approximately 905,000 customers in Oklahoma and western Arkansas.

As previously disclosed, in December 2021, OGE Energy and OG&E each entered into \$550.0 million unsecured five-year revolving credit facilities, and in December 2022, those credit facilities were amended to extend their term for one year, until December 2027, and to provide the option of extending each of such commitments for up to two additional one-year periods. In December 2023, OGE Energy and OG&E each utilized one of those extensions to extend the credit facilities to December 2028. Effective December 18, 2024, OGE Energy and OG&E each utilized the second extension to extend the maturity of their respective credit facility from December 18, 2028 to December 18, 2029 (collectively, the "Extension"). The terms of the amended credit facilities were otherwise unchanged.

A copy of the Extension is filed as Exhibit 10.01 to this Current Report and is incorporated by reference herein.
