Item 1.01. Entry into a Material Definitive Agreement

OGE Energy Corp. (the "Company") is the parent company of Oklahoma Gas and Electric Company ("OG&E"), a regulated electric utility with approximately 842,000 customers in Oklahoma and western Arkansas. In addition, the Company holds a 25.7 percent limited partner interest and a 50 percent general partner interest in Enable Midstream Partners, LP.

As previously disclosed, in March 2017, the Company and OG&E each entered into five-year \$450 million revolving credit facilities. Each of the facilities contained an option, which could be exercised up to two times, to extend the term of the respective facility for an additional year. Effective March 9, 2018, the Company and OG&E utilized one of those extensions to extend the maturity of their respective credit facility from March 8, 2022 to March 8, 2023. The terms of the credit facilities were otherwise unchanged.
