- * Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))

Item 2.01. Completion of Acquisition or Disposition of Assets.

OGE Energy Corp. (the "Company") is the parent company of Oklahoma Gas and Electric Company, a regulated electric utility with approximately 794,000 customers in Oklahoma and western Arkansas, and OGE Enogex Holdings LLC and its subsidiaries ("Enogex"), a midstream natural gas pipeline business with principal operations in Oklahoma.

As previously disclosed in the Company's Form 10-Q for the quarter ended June 30, 2012, on August 1, 2012, Enogex entered into agreements with Chesapeake Midstream Gas Services, L.L.C. and Mid-America Midstream Gas Services, L.L.C., wholly-owned subsidiaries of Access Midstream Partners, L.P. and Chesapeake Midstream Development, L.P., respectively, pursuant to which Enogex agreed to acquire approximately 235 miles of natural gas gathering pipelines, right-of-ways and certain other midstream assets that provide natural gas gathering services in the greater Granite Wash area. The transactions closed on August 31, 2012. The aggregate purchase price for these transactions was approximately \$80.5 million, including certain permitted capital expenditures incurred during the period beginning June 1, 2012 and ending August 31, 2012. Enogex utilized cash generated from operations and bank borrowings to fund the purchase. The purchase price is subject to certain post-closing adjustments. The Company has not completed the purchase price allocation for these transactions, but expects to complete this in the fourth quarter of 2012.

In connection with these agreements, Enogex entered into a gas gathering and processing agreement with Chesapeake Energy Marketing, Inc. and Chesapeake Exploration, L.L.C. ("Chesapeake") pursuant to which Enogex will provide fee-based natural gas gathering, compression, processing and transportation services to Chesapeake with respect to certain acreage dedicated by Chesapeake. Including the purchase price of the assets discussed above, Enogex projects additional capital expenditures for the construction of gathering and compression assets associated with these agreements to be approximately \$250 million through the remainder of 2012 and 2013.
