Explanation of Responses:

1. Settlement of performance units upon determination by compensation committee that specified performance goals have been achieved for the three-year period ending December 31, 2010.
2. The original filing included a clerical error and incorrectly reported the net number of securities acquired (with securities for taxes already withheld) upon settlement of performance units rather than the gross number of securities acquired upon settlement of performance units. This amendment reflects the correct total number of securities acquired (prior to the deduction of securities for taxes) in the performance unit grant.
3. Reflects correct total holdings, after taking into account the correction reflected in footnote 2.
